Product Warranty and Service

Notes

1. Do not knock, drop, burn or submerge the product in water. Damage caused by these improper uses is not covered under warranty.
2. Do not disassemble the product or replace its internal components. Any resulting damage will invalidate the warranty.
3. The official supporting software is provided for authorized use only; end-users are granted solely a non-transferable right of usage.
4. User-customized themes are for personal creation and sharing only; commercial use is strictly prohibited.

Warranty & Service

1. This product comes with a 1-year limited warranty covering the display panel, driver board, ribbon cables and connecting wires. Repair or replacement service is available via customer return shipment.
2. Please contact our customer support team if you encounter product quality defects or software operation issues.
3. For repair requests, please reach out to our official support channel to obtain relevant service instructions; we will respond and arrange processing promptly.
